

PILEPTIC SHOT IN ADA QUARREL

Whit Hyden Is Probably
Fatally Wounded in
Mysterious Affair.

ADA, Dec. 5.—Whit Hyden was shot and probably fatally injured by E. W. Geary on West Sixth street this morning. Hyden is an epileptic and one report has it that he was attacking a woman when Geary came to her assistance. This report says that Hyden then turned on Geary and that the latter shot in order to defend his own life. Other reports are to the effect that Geary went into his house and shot Hyden from some distance. The Hydens hold out little for Hyden's recovery.

Four members of the faculty and more than 20 students of the East Central Normal have enrolled as volunteers to go to the coal fields. They are now awaiting orders to take them to their places among the ranks of those attempting to keep the fires burning in this state. They expect to be called out without much delay.

New Telephone Directory will go into press December 12. Subscribers wanting any changes or corrections in the Directory should call at the contract department and arrange for same before the above date.

STATE BRIEFS

M'ALESTER, Dec. 5.—The blue and gray joined hands today in paying last respects to Major R. F. Hackett, commander of the G. A. R., who died Tuesday.

PAWUSKA, Dec. 5.—There are more houses here than the city officials imagined and the plan to number each place has been halted temporarily till a larger supply of numbers are obtained.

CLAREMORE, Dec. 5.—District Judge C. W. Mason has issued writ of mandamus against Rogers county commissioners ordering them to explain why Rogers drainage district report has not been approved.

Much of the present unrest is caused by a lack of confidence in one another. Why should not business take the lead and make every transaction on a strictly ethical basis? This would inspire confidence and help allay the unrest. The article on page two, which outlines such a policy, is a reprint from the Merchants' Journal of Topeka, Kan., and will be of interest to every live man and woman in the city. It will be good for your boy or girl to read, too.—Adv.
